Consona N6

Concrete to Resonate

Powered by **ZST+**

Next Generation
Ultrasound
Technology

A new era of Primary Care Ultrasound

Confident:
Enhancing the precision
in screening and diagnosis

Convenient:
Improving the daily
work efficiency

Conductive:
Inspiring the growth by
every progressive step

- 21.5-inch-High resolution Full HD LED monitor
- 13.3-inch size full HD display touch panel
- Revolutionary ZST+ platform
- 4 active transducer sockets
- Waterproof control panel
- Magnetic front cover

Imaging Technologies

Classical imaging technologies

- PSH
- iBeam
- iClear

Advance image processing technologies

- iTouch+
- HD-scope
- Dehaze

Hemodynamic optimization technologies

- Smart Track
- HR Flow
- Glazing Flow

Advanced Imaging Mode

- NTE Elastography
- 3D/4D Imaging with Multi-Presentation

Diversity of Clinical Application Solution

General Imaging (C6-1, L13-3)

Smart Cal
Smart Bladder
Smart Hip
Smart HRI
Smart Trace
Iscape View
Iworks
Iscanhelper

OBGYN (C6-1, D7-2, V10-4)

2D
Smart OB
Smart NT
IVF
Smart 3D
3D/4D
Smart Volume
Smart Face
Ilive
Ipage+
SCV+
Color 3D

Cardiovascular (P4-2)

CW
TDI & TDI QA
TTQA
Auto EF
IMT
RIMT
Free Xros M Mode
